Hi Tina,

I'm not sure if this is really a formal request. The email below from Amy was all we received. Then I received a call from lowayna Pena, legislative aide to Supervisor Cohen who provided the additional info that I summarized below. Since then, the meeting was changed from Oct 1st to the 15th, and we spoke more with lowayna at the Navy open house. Lily provided a nice summary on that (below). Hope this helps.

Lily summary from open house:

I saw lowayna Pena, legislative aide to Malia Cohen, President of Board of Supervisors, last night mtg. I introduced her to reps from DTSC, CDPH, Navy (Kim Ostrowski & Lawrence Lansdale). Here's what she has figured out so far, but subject to change, since she has been too busy to nail down details yet.

Logistics

- Probably starts 1:30 pm, requesting Hunters Pt be 1st on agenda
- Will request reserved seats for speakers & their staff, but don't know if that is possible

Invited

- Navy – Kim Ostrowski will present, also bringing Derek, Danielle, Zach, Lawrence
- DTSC – Probably Mohsen, Janet
- CDPH – Probably Mark, Anthony
- Probably Tetra Tech
- EPA

Content

- Similar format to last time: 5 min presentation each agency, describe role, questions from Supervisors, public speakers
- Probably mainly interested in Parcel G Work Plan, and probably Parcel A will come up
- lowayna will try to tell us mid-week next week more about potential topics.
- Formal agenda will be posted publicly Thurs 10/11

Nina update:

I received a call from Supervisor Cohen's office with information on the upcoming hearing (Land Use & Transportation Subcommittee) on October 1st. Previously, Mohsen attended and they assume he will attend again. The hearing will be at the same location:

S.F. City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, 2nd Floor Chambers.

The hearing will start at 2pm, however, the agenda will not be sent out until Sept. 27th so we're not sure what time they will actually discuss the Hunters Point Site.

If DTSC would like to make a statement in support of the work being done and/or the other agencies that would be fine. The contact person if you have any questions for Supervisor Cohen's office is Iowayna Pena at iowayna.pena@SFgov.org.
